JUST *the* WAY YOU ARE

PALMETTO DANCE CENTER PRESENTS....

#BeKind 2026

MANY THANKS

To our wonderful Palmetto Dance Center families—thank you for trusting us with your dancers and for being part of this incredible community. This year's recital, Just the Way You Are, honors the uniqueness, strength, and beauty within every child. Each performance is a reflection of their individuality and the confidence they've built along the way. It is a joy to watch them shine so brightly, exactly as they are meant to be. Thank you for celebrating, supporting, and believing alongside us.

With love,
Savannah
